

# Meet Surface Laptop 2 for Business

Powerful expression

## High performance

**More performance to power productivity.** The perfect partner for productivity, new Surface Laptop 2 for Business has more multitasking power to get more done with the latest quad-core powered 8th Gen Intel® Core™ processor. All-day battery life<sup>1</sup> and amazing sound keep you moving. See your work in true-to-life color with the vibrant and durable 13.5" PixelSense™ Display.

## Most versatile

**A creative touch.** Ideas flow through your fingertips on the 13.5" interactive touchscreen that supports fast, easy navigation for work, creative inspiration, and on-screen writing and drawing with Surface Pen.\* Transform Surface Laptop 2 for Business into a desktop PC when you connect to external monitors with Surface Dock.\*

## Innovative design

**Style you can take with you.** Thin, lightweight, and elegant on-the-go style fits easily in your bag at just 2.76 lbs. Complete your look with a choice of four rich tone-on-tone colors, including new Black.<sup>3</sup> Open effortlessly to get to work on the luxurious Alcantara® material-covered keyboard, and listen in to conference calls or videos with spectacular Omnisonic Speakers.

## Best of Microsoft

**Makes the most of Microsoft 365.** Keep your business on the right track with the essential foundation and familiarity of Windows 10, the protection of Microsoft Enterprise Mobility + Security, and the Office 365\* productivity apps you rely on every day. Deploy, manage, and protect identities with ease.

\* Surface Dial, Surface Pen, Microsoft Office, and some software sold separately.

<sup>1</sup> Surface Laptop 2 battery life: Up to 14.5 hours of local video playback. Testing conducted by Microsoft in August 2018 using preproduction Intel Core i5, 256GB, 8 GB RAM device. Testing consisted of full battery discharge during video playback. All settings were default except: Wi-Fi was associated with a network and Auto-Brightness disabled. Battery life varies significantly with settings, usage, and other factors.

<sup>2</sup> System software uses significant storage space. Available storage is subject to change based on system software updates and apps usage. 1 GB= 1 billion bytes. See [Surface.com/Storage](https://www.microsoft.com/surface/storage) for more details.

<sup>3</sup> Colors available on selected models only. Available colors may vary by store, market, and configuration.

<sup>4</sup> Advanced Exchange Service (AES) is available in supported markets only. Surface Laptop 2 Commercial devices are eligible for AES at no additional charge. Restrictions apply. See [Surface for Business warranty page](https://www.microsoft.com/surface/business/warranty) for AES terms and conditions at product general availability.

<sup>5</sup> EN/US only.
