CONVENIENT

swing arm allows Apple Watch face to be visible in nightstand mode while charging

stm goods  smarter than most.™

CHARGE TREESWING

smarter wireless charging

CHARGE TREESWING

smarter wireless charging

Charging is as easy as one, two, tree.

Save space and charge 3 devices wirelessly at the same time with the smarter wireless charging stand, the ChargeTree Swing. Dedicated wireless charging stations for wireless phones, AirPods, and a swing-out charging arm for Apple Watch makes ChargeTree Swing the perfect desk mate. And for even more convenience and easy use, three indicator lights illuminate to confirm charging then turn off thirty seconds later. ChargeTree Swing is the smarter way to wirelessly charge your favorite devices.
