

PANACAST 40 VBS

Big ideas are born in **small rooms**

Are your employees looking to be productive and collaborate virtually but struggling to find a suitable meeting space?

80%

of knowledge workers **waste time** looking for a properly equipped meeting room

Yet

72%

say better equipped small meeting rooms would make them **more productive**

Stats from Jabra Big Ideas, Small Rooms Research, 2025

MEET PANACAST 40 VBS

The only small room Android bar that captures the entire room

Built on Microsoft Device Ecosystem Platform

See more. Hear more. Include more.

180 degree view captures everyone in 4K, even those level with the camera or right in the corner

Outstanding audio with an array of beamforming noise-cancelling microphones and impressive speaker

Perfect for small meeting rooms up to 4.5m x 4.5m

AI-enabled intelligent meeting experiences for productive collaboration

Choice of dynamic video experience options for natural, inclusive meetings that keep remote participants engaged

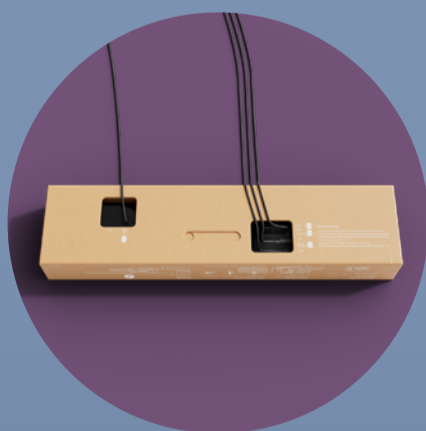

Advanced speaker tracking focusses the camera view on the current speaker

Intelligent Meeting Space enables visual boundaries to be set to remove distractions from glass-walled meeting rooms

Fast and streamlined set up

Unique packaging designed for streamlined installation, with labelled windows enabling provisioning in-the-box

Integrated hinge mount for easy installation. Go from box to first meeting in under 12 minutes with a secure, wall-mounted installation*

Clutter-free cable management for a no-fuss, clean setup

*Based on GN internal UX testing, March 2025.
